## **Annie Bartlett, DVM, DACVR**

Diagnostic Imaging

Originally from Ohio, Dr. Annie Bartlett graduated from the University of Cincinnati with a degree in biological sciences, and then attended Midwestern University for veterinary school. She completed a rotating internship with Pieper Veterinary in Middletown, CT in 2021 and a diagnostic imaging residency with Massachusetts Referral Veterinary Hospital near Boston in 2024.

In her free time, she enjoys spending time with her husband, friends and family, as well as multiple outdoor activities including hiking, mountain biking, and skiing.
