

Aubree Allen, DVM

24/7 Emergency Care
24/7 Emergency Care

Dr. Allen graduated from Texas A&M Veterinary School in 2017. She completed a rotating internship at Wheat Ridge Animal Hospital in Wheat Ridge, CO, in 2018. She moved back down to TX and pursued Emergency work there. She realized how much she missed Colorado, and all it has to offer. Thus she decided to move back and continue to pursue her passion of Emergency Medicine.

In her spare time, she enjoys hiking, camping, fishing, and spending time with friends and family.
