

Lindsey Weber, DVM

24/7 Emergency Care
24/7 Emergency Care

Dr. Weber graduated from the University of Illinois to receive her doctorate of veterinary medicine in 2016. She then went out to complete a small animal rotating internship at a BluePearl in Louisville, Kentucky where she learned from various specialists, including emergency medicine. Dr. Weber spent the last 3 years in central Illinois working as an emergency doctor at a local hospital. She decided to move out to Colorado in 2020 to take advantage of all the outdoor activities. She enjoys being active as well as taking care of her 4 dogs.
