

Maggie Carver, DVM

24/7 Emergency Care
24/7 Emergency Care

Dr. Maggie Carver grew up in the Chicago suburbs. Dr. Carver graduated from the University of Illinois Veterinary College in 2018. She had a strong interest in emergency and critical care medicine. Her passion to provide high quality, personalized emergency veterinary care led her to completing a rotating medicine & surgical internship at Veterinary Specialty Center of Seattle Washington in 2019. She decided to move to Denver Colorado to be closer to friends, family, and the Rocky Mountains. She has been a member of the AESC Team since 2019.

Outside of work she enjoys hiking, camping, gardening, Red Rocks concerts, snowboarding, and spending time with her husband and their two dogs, Smokey and Floyd as well as their two cats, Jerry and Sassafras.
